

Fisherman's Point 2019 Seasonal Campsite Application

Name: _____

Address: _____

Telephone: _____

Camping Unit Description: _____

Camping Unit License #: _____

(Only one application for drawing per camping unit and per household)

There will be 25 seasonal sites available from the attached list. Those marked **LA** have lake access, **NL** have no lake access, and **NA** are not available.

Rank your preference order for campsites with "1" being your most preferred site and "25" your least desired site. Do not put a preference number next to a site which is unacceptable to you. It is your responsibility to know if your camping unit will fit on any site you rank. At the drawing the first 25 sites selected will be the seasonal sites for the year. You should rank order at least 25 sites since that is the number of sites that will be selected.

I acknowledge that I have read and understand the attached seasonal and general campground regulations and will fully comply with them if I am awarded a seasonal site. Repeated violations of these regulations will result in cancellation of my agreement and I will vacate the campsite within ten (10) days of the cancellation without refund of any fees.

1. Comply with all Campground regulations as stated on the Campground brochure except for the fourteen-day stay limit. Violation of these rules or any of the rules below will be cause for cancellation of this agreement.
2. The total payment for a lake access site will be \$2,300 and a no lake access site will be \$2,000. A deposit of \$1,000 is due within 10 days of the drawing and the balance by April 19, 2019. Refunds will only be made as a result of emergencies in which case 75% will be refunded if canceled by June 1, 50% by July 1, and no refunds after July 1.
3. The sites will be available on April 19, 2019 until October 31, 2019 at which time all personal property must be removed and the site left in a clean condition. Tenants must pay \$12.50/day non-seasonal rate for any stay past or prior to these dates. The availability of water and rest rooms is weather dependent. If this is a concern for you, please call the Campground Office on May 1 or after before you move in (218-225-3337). The campground office and restroom/showers will close on September 23rd. The year-around restroom facility located near the office will be closed after October 31st.
4. Seasonal campers will do their own grass cutting and campsite cleanup (this includes pet waste clean-up with a \$20 fee for non-compliance). This must be done on a regular basis.
5. All camping units except tents must be wheeled vehicles. Seasonal campers are not permitted to make any site improvements including moving in of storage units, docks, landscaping, etc. A daily fee will be charged for any additional camping unit on a seasonal site with the exception of one additional small tent.
6. Only one form may be submitted per household/camping unit.
7. A drawing will be held at 2:00 p.m. on Friday, September 28, 2018 at the City of Hoyt Lakes Municipal Building. If interested, submit this form to the City of Hoyt Lakes, 206 Kennedy Memorial Drive, Hoyt Lakes MN 55750, or email to info@hoytlakes.com.
8. An adult from the immediate family household must be present overnight when the campsite is in use. When an adult from the immediate family household is not present overnight then no one else may utilize the site unless the seasonal site holder provides written permission to the campground manager. The regular daily campsite fee will be charged to anyone else utilizing the site in the absence of an adult from the immediate family household.
